

# Space Nuclear Industry Symposium (SNIS)

Thursday, September 25, 2025  
Washington, DC

*Under the auspices of*

## The U.S. Nuclear Industry Council

### Sponsorship Prospectus – SNIS 2025

#### OVERVIEW:

Join leaders from industry, government, and the broader business community for the premier event dedicated to advancing nuclear power and propulsion technologies that are shaping the future of space exploration and commercialization. SNIS offers a unique opportunity to hear from and engage with top experts and stakeholders at the forefront of this rapidly advancing field. This is a unique opportunity to explore how space nuclear technologies are enabling next-generation missions and opening new market frontiers.
